This certificate attests that all provisions described in relevant parts of the standard

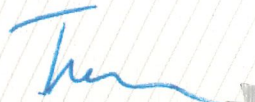

EN ISO 3834-2:2021

according to the system for the performances set out in the certificate are applied and that the factory production control is assessed to be in conformity with the applicable requirements.

The factory production control fulfills all the prescribed requirements set out above.

The certificate has been issued on **11 May 2026** and is valid until **10 May 2029** upon the condition of successful completion of the annual surveillance audit and when the manufacturing process of the product, the testing methods and/or requirements of the standard used for evaluation will not be changed significantly. The initial certification date of issue is 11 May 2017.

Prague, 11 May 2026

Ing. Lukáš Turza, Ph.D., IWEA
Deputy Head of CB
